

June 22nd 1939

Mr. J. Walsh,

Dear Mr. Walsh,

I shall be unable to call to see you on Saturday next at 6.p.m. as I suggested in my letter of the 14th June. I should be very glad if you would give me a ring at this office and we could arrange a meeting during the coming week as I believe you are busy over the week-end. No doubt, your father told you of my visit on last Saturday which was in error.

Yours sincerely,

J.O. Barry-Walsh,
Organising Secretary.
